

To,

All Lead Agencies nominated for dHPF

(Cancer Aid Society, UNICEF, JHPIEGO, HLFPPPT
MI, PFI, PISRD, PSI, Sight Saver, PATH)

Dear all,

It is matter of pleasure that Divisional Health Partners Forum (dvHPF) have started functioning with the objective to streamline the efforts to promote health and to establish better convergence at the implementation level. I am sure that you must be actively participating in the meetings under the Chairmanship of respective Commissioners and providing your valuable inputs and support at the divisional level.

You are aware that process of establishing District Health Partners Forum (dHPF) have also initiated at the districts. I have communicated to all District Magistrates and Chief Medical Officers to facilitate and support the establishment of dHPF. The copy of the same was marked to you as well. I express my satisfaction that dHPF is established in some of the districts.

Since, you have been nominated as Lead Partner for the particular districts; therefore, you need to be more proactive to expedite the process of dHPF formation ongoing in each district. In order to ensure effective coordination support at the district level, please nominate at-least one or more official/s from your organization, who will be able coordinate with the concerned officials in the districts and divisions on behalf of your organization.

This will be helpful in result oriented efforts that are being made to formulate District Health Partners Forum (dHPF) in all the seventy five districts of Uttar Pradesh.

With best wishes,

Yours sincerely,

(Alok Kumar)
